Disciplinary Committee (DC) Decision: Pamela Bosman (May 2022)

SAICA ID: 05006131

Case No: 104/18

The Disciplinary Committee made the following decisions in respect of the Charges brought against the Respondent (a broad overview of the charge/s is provided and is not the full detail as set out in the Charge Sheet):

SAICA Charges against the Respondent related to the Respondent's conduct at a time when she was on the Board of Directors at the Eastern Cape Development Corporation (ECDC).

The Disciplinary Committee considered that the Respondent had committed an offence under both paragraphs 34.10 and 34.12 of the SAICA By-laws.

The Disciplinary Committee found that the Respondent's Conduct fell far short of the requirements of integrity; objectivity and professional conduct that the Code requires. The Disciplinary Committee also found the Respondent's conduct to be discreditable, dishonourable; dishonest, irregular and unworthy.

The Disciplinary Committee further found that the Respondent's conduct itself, coupled with the fact of a judgement of the High Court that ordered the removal of the Respondent as a Director of the ECDC was such that it was derogatory to SAICA and tended to bring the profession of Accountancy into disrepute.

Sanctions

The Disciplinary Committee imposed the following sanctions:

1. That the Respondent be excluded from Membership of SAICA; and
2. That the Respondent should pay a contribution to SAICA's Costs in the amount of R170 000 (one hundred and seventy thousand rand)

The Disciplinary Committee directed that there be publication on SAICA's website comprising the Respondent's name; a brief description of the offence and the penalty imposed on her.
