**** Note 2:**

In 2017 an agreement was reached with regard to the Chartered Institute of Management Accountants (CIMA) recognition. One of the eligibility requirements of CIMA members (holding the ACMA or FCMA designation) wishing to obtain the CA(SA) designation is passing the ITC. These CIMA members will be exempt from the requirement to complete a PGDA in order to gain access to the ITC. CIMA members who enter for the exam without a PGDA will be permitted two ITC attempts over two calendar years, after which they will be required to complete a PGDA at a SAICA accredited university before being eligible to write again. This agreement was revised in 2022 and this option (writing ITC) will only be applicable until June 2023.
