

WHAT KIND OF TOMORROW DO YOU WANT TO SHAPE?

How about a connected world, working together to prosper and thrive.

Becoming a Chartered Accountant [CA(SA)] puts you in a position to make a real difference. Giving you the skills and perspectives to build the tomorrow you want.

So how do you become a CA(SA)?

01 MAKE THE RIGHT CHOICE

When picking your subjects, make the right career choices. Take Maths (not Maths Literacy) and English and study hard to achieve a Level 5 pass (or more) in Grade 12.

02 CHOOSE THE RIGHT UNIVERSITY

Study a BCom undergraduate and a postgraduate degree (Certificate in the Theory of Accounting [CTA] or equivalent) from a university accredited by the South African Institute of Chartered Accountants (SAICA)*.

03 GET THE RIGHT TRAINING

Enter a 3-year training programme with a SAICA accredited training office to gain real life, on-the-job work experience.

04 DEVELOP THE RIGHT SKILLS

Study for and pass the 2 SAICA qualifying exams – the Initial Test of Competence (ITC) and the Assessment of Professional Competence (APC).

05 BECOME A DIFFERENCE MAKER

All around the world CAs(SA) are leaders in their industries who are making a difference every day – once you've passed your exams and completed your training programme, register with SAICA to become a CA(SA).
