RESUME OBJECTIVE

I am Pamella Mandisa Marlowe. I am committed to life long learning, be it formally or informally. I have a mixed set of competencies and skills which have been obtained from both the Private and Public Sectors. I am a strategic thinker who can contribute towards developing a strategy and measurement of the company's performance towards achieving this strategy. I am a Certified Director with the IoDSA which shows my commitment to being an accountable member of any corporate governance structure that I have the honour of serving in.
