**** Note 4:**

In 2018 an agreement was reached with regard to the Chartered Institute of Management Accountants (CIMA) recognition. One of the eligibility requirements of CIMA members (holding the ACMA or FCMA designation) wishing to obtain the CA(SA) designation is passing the ITC. These CIMA members will be exempt from the requirement to complete a PGDA in order to gain access to the ITC. CIMA members who enter for the exam without a PGDA will be permitted two ITC attempts over two calendar years, after which they will be required to complete a PGDA at a SAICA accredited university before being eligible to write again.

**** Note 5:**

Milpark Education obtained full accreditation of their PGDA in 2019, academic year starting June 2019 (midyear start). Therefore no candidates in Jan 2020 and candidates' first attempt is from Nov 2020.

IIE (VC) bought out Monash SA (MSA) in 2019, thus the 2020 ITC results onwards reflects a combined campus count from all of the accredited Varsity College (VC) campuses which now include the previous MSA Ruimsig campus as part of the IIE accredited programme

Regent Business School obtained full accreditation of their PGDA effective from the start of the 2020 academic year.

****Note 7:**

Milpark Education and Institute of Accounting Science have midyear intake programmes, which commenced in 2019, these candidates would therefore have their second sitting in April 2021, see below table for explanation.

The first (usually Jan) and second sittings (usually June) in 2021 were deferred as indicated below, due to the impact of COVID-19

The second sitting in one calendar year was introduced for the first time in 2013. Therefore in April 2021, there were no 4th and 6th attempts, see below table for explanation.

The number of attempts is calculated based on when the candidate completed their accredited post graduate degree academic (PGDA) year and each sitting counts as an attempt, whether the candidate actually sat for the exam or not.

Attempts at the exam are calculated as follows:

PGDA year completed	First attempt	Second attempt	Third attempt	Fourth attempt	Fifth attempt	Sixth attempt	
2020	Apr-21	Sep-21	Jan-22	Jun-22	Jan-23	Jun-23
