VACANCY – SUSTAINABILITY TECHNICAL COMMITTEE

The Sustainability Technical Committee (Committee) was launched in April 2022. The Committee comprises 13 members who have a range of skills, qualifications and experience in sustainability.

The objective of the Sustainability Technical Committee is to support SAICA to respond to various current and emerging sustainability aspects as it relates to its members and other stakeholders as identified by SAICA.

Its focus areas include:

- Reporting & Disclosure, with specific emphasis on the global convergence of sustainability reporting standards and frameworks
- Assurance & Verification, with specific emphasis around non-financial sustainability information
- Integrated thinking, with specific reference to sustainability in terms of the International Integrated Reporting Framework and the Integrated Thinking Principles
- Sustainability advocacy and thought leadership with identified key stakeholders, covering the areas of reporting, assurance and integrated thinking and any other key aspects considered non- or pre-financial information

More details on the members and terms of reference of this Committee can be downloaded from the SAICA website (<https://www.saica.org.za/sustainability-technical-committee>).

SAICA is currently seeking for a **representative from a large audit firm** with sustainability experience to fill one vacancy on the Sustainability Technical Committee.

The candidate is expected to have, in addition to possessing the requisite sustainability expertise,:

- The ability to be available/committed to attending meetings of the Committee
- The willingness to serve on sub-committees dealing with specific sustainability topics
- The willingness to review documents and provide comments outside of above meetings

Please submit your detailed CV to tsabom@saica.co.za and copy bongekan@saica.co.za and nomsan@saica.co.za to apply for this vacancy.

Applications should reach us by **Tuesday, 7 November 2023**. Please note that applications received after this date cannot be considered.

Committee activities can be very onerous and it is therefore recommended that applicants review their personal commitments prior to submitting their applications.

A positive consideration of applications to fill committee vacancies will contribute greatly to the effective functioning of SAICA.
