

Payment of Master's fees

SAICA has received feedback from the Master's office that ABSA is currently not accepting cheque deposits for payment of Master's fees.

It was initially agreed with ABSA to only accept **bank guaranteed cheques** or **EFT's**, due to the high volume of bounced cheques to be written off. However ABSA is currently only accepting EFT's, and no cheques.

The Master's office is investigating the current situation, but in the interim Master's fees payments must be done via EFT, until further notice.
