PREFACE

The purpose of this summary of changes made to the *IFAC Guide to Using ISAs in the Audits of Small-and Medium-Sized Entities – Fourth Edition* (IFAC Guide) is to assist SAICA members who are auditors and assurance practitioners, and their support staff, including audit managers, supervisors, trainee accountants and engagement quality reviewers in applying the IFAC Guide to the audits of Small and Medium Practices (SMPs).

SAICA members are encouraged to visit the [IAASB's page](#) for upcoming projects and projects taking time at the time of publication of this IFAC Guide.

This summary includes extracts from *Guide to Using International Standards on Auditing in the Audits of Small-and Medium-Sized Entities, Fourth Edition* of the Small and Medium Practices (SMP) Committee, published by the International Federation of Accountants (IFAC) in July 2018. Contact permissions@ifac.org for permission to reproduce, store or transmit, or to make other similar uses of these extracts.

Although special attention was given to the correctness of the information it is possible that legislation and the content may change from time to time. The list or regulatory requirements is also not exhaustive and in no way represents all applicable reporting duties. Please also note that the above information serves as a guide only and readers are advised to consult the full text of the legislation for further information. This document or any part thereof may not be copied.

Summary of changes made: IFAC Guide to Using ISAs in the Audits of Small- and Medium-Sized Entities – Fourth Edition

Volume 1- Core Concepts

Chapter 1 – How to Use the Guide

1.4 Acronyms used in the Guide	• Changes to the, assertions as follows: ○ Added ▪ Accuracy and valuation ▪ Presentation ○ Removed ▪ Accuracy, cutoff and valuation ▪ Accuracy and cutoff ▪ Valuation • Added the following to the list of acronyms: ○ International Public Sector Accounting Standards ○ Key Audit Matters

Chapter 2 – The ISAs	
Section	Summary of change
2.1 ISA Index and Cross-References	• Table updated to reflect Revised ISAs. • ISA 701, Communicating Key Audit Matters in the Independent Auditor's Report added.

Chapter 3– Ethics, ISAs, and Quality Control	
Section	Summary of change
Chapter Content	• Update of references to ISAs in table included under Exhibit 3.0-1.
Quality Control Systems	• Update of the content of this section and Exhibit 3.2-1 to reflect Revised ISAs.
Compliance with Relevant ISAs	• Update of references to ISAs in table included under 3.8 Compliance with Relevant ISAs.

Chapter 4– The Risk-Based Audit - Overview	
Section	Summary of change
Chapter Content	• Update of references to ISAs in table included under Exhibit 4.0-1.
4.1 Overview	Inherent limitations of an Audit Exhibit 4.1-1 • Added wording in under <i>The Nature of Financial Reporting</i>. Assertions • Amended wording in line with changes to the assertions.
4.2 Audit Risk	Exhibit 4.2-2 • Change wording in commentary column related to control risk by replacing the reference to entity level controls with the fact that these controls are assessed at the financial statement level.

	Exhibit 4.2-3 Updated the wording on the third sentence to refer to <i>...pervasive and transactional control procedures</i> and deleted the old reference to specific control procedures.
4.3 How to Perform a Risk-Based Audit	- Update of references to ISAs in the table. Exhibit 4.3-1 - Description relating to risk assessment expanded on. - Description relating to reporting and forming an opinion expanded on. Exhibit 4.3-4 - Description relating to team discussion and ongoing communication expanded on to include reference to discussions around disclosures. - Financial statement disclosures added in. Exhibit 4.3-5 - Under the auditor consideration of the reasons (inherent and control risks) for the risk assessments at the assertion level: - Added in reference to <i>event</i> - Under the auditor's response to the assessed risks of material misstatement: - Changed <i>addresses the material financial statement areas</i> to <i>identifies the material financial statement areas</i>. - Added in reference to <i>significant disclosures</i>. Reporting - Amended wording of ISA 700.6 by removing <i>that also describes the basis for that opinion</i>.
4.6 ISAs for Smaller Audits	Update of references to ISAs in the table.

Chapter 5– Internal Control – Purpose and Components	
Section	Summary of change
Chapter Content	Update of references to ISAs in table included under Exhibit 5.0-1.
5.1 Overview	Amendments to the wording included here.
5.2 Internal Control Objectives	Exhibit 5.2-1 Included <i>communication</i> in the information systems component.
5.3 The Control Environment	Update of references to ISAs in this table.
5.4 Risk Assessment	Update of references to ISAs in this table.
5.4 Risk Assessment	- Changes to the wording made in the first paragraph under the red flag. - Inserted the following paragraph: <i>The auditor is also required to evaluate whether the absence of a documented risk assessment process is appropriate in the circumstances, or determine whether it represents a significant deficiency in internal control.</i>

5.5 Information Systems and Communication	- Added in reference to <i>communication</i> in the heading. - Update of references to ISAs in this table and added in wording to align to the revised ISAs. Exhibit 5.5-1 - Included a reference to <i>relevant information from other sources</i> in the description to accounting systems - Added in other information sources - Under exhibit 5.5-1, added in paragraph on sources of information. Exhibit 5.5-2 - Added this table in, including commentary under the table. - Commentary added in under the grey block: Consider Point Exhibit 5.5-4 - Sources of information used: - Added in reference to <i>disclosures</i> in the commentary relating to sources of information used. - Added in the following sentence: <i>This is particularly important where information included in the financial statements is obtained from outside of the general and subsidiary ledgers.</i> - How the information produced is used: - Added in reference to <i>financial institution</i>.
5.6 Control Activities	- Update of references to ISAs in the table. - Second paragraph under the orange flag: - Added in reference to <i>outside the general and subsidiary ledger</i> - Added in the following paragraph: <i>Control activities relevant to the audit may also include controls established by management that address disclosures being prepared in accordance with the applicable financial reporting framework—this would be in addition to controls that address risks related to account balances and transactions.</i> Exhibit 5.6-3 - Added in <i>Financial Statement Disclosure</i>.
5.8 Monitoring	- Update of references to ISAs in this table. - Third paragraph under yellow flag, added in reference to the use of internal audit function.
5.9 Understanding of Internal Controls Relevant to the Audit	Exhibit 5.9-1 Added in <i>Inquire about the Role of Internal Audit (where applicable)</i>.

5.11 Pervasive Controls (that address financial statement level risk)	- Added in (<i>that address financial statement level risk</i>) to the heading. - In general, reference to: <i>at the financial statement level risks</i> added in next to mention of pervasive controls <i>assertion level</i> added in next to transactional risks/controls. <i>entity level controls</i> changed to <i>pervasive controls that pertain to the financial statements as a whole</i>. - Update of references to ISAs in this table. - Changes to the commentary included under the table amended to: - include reference to financial statement level risks next to controls that are pervasive in nature; - include reference to <i>assertion level</i> next to particular transaction risks; - in the third paragraph, next to accounting records, word <i>entity</i> changed to <i>financial statement</i>. - Amended Exhibit 5.11-1 Exhibit 5.11-1 – Notes to figure - Note 1 <i>Entity level</i> changed to <i>financial statement level</i> - Note 2 <i>Entity level controls</i> changed to <i>pervasive controls</i>. - Words <i>relating to the entity as a whole</i> added in. - Note 4 - Words <i>similar to entity level controls</i> changed to <i>pervasive to the entity as a whole</i>.
--	--

Chapter 6– Financial Statement Assertions	
Section	Summary of change
6.1 Overview	- Amended wording of second paragraph to align with changes to the assertions. - Under the examples of management assertions: - Removed reference to <i>and disclosed</i> in the sixth bullet point and added in the second sentence. - Added in last bullet point relating to the presentation and disclosure of amounts. - In the last paragraph: - Added in reference to <i>presentation</i> in the first sentence. - Included reference to the <i>existence</i> assertion in referring to a valid transaction that took place. - Removed reference to the <i>cutoff</i> assertion and added in reference to the <i>valuation</i> assertion in referring to transactions being properly recorded in the accounting records.
6.2 Description of Assertions	- Contents of the table amended in line with the revised assertions and related wording contained in ISA 315 (Revised).A129, as follows: <i>Presentation</i> assertion added in in - Wording relating to the description of the assertions amended. No changes were effected to the following assertions: - Cutoff

	▪ Classification (relating to classes of transactions and events and Related Disclosures) ▪ Existence ▪ Rights and obligations ○ <i>Presentation and disclosure</i> assertion and related description deleted. • Added in the following paragraph at the end of the table: <i>The assertions described above can be adapted, as appropriate, when considering potential misstatements in disclosures that are not directly related to recorded classes of transactions, events or account balances. For example, the entity may be required by the applicable financial reporting framework to present exposure to risks arising from a transaction that is not yet recorded in the financial statements.</i> Exhibit 6.2-2 • Amended in line with the revised assertions contained in ISA 315 (Revised).A129
6.3 Combined Assertions	Exhibit 6.3-1 • Amended in line with the revised assertions contained in ISA 315 (Revised).A129 Note to Exhibit 6.3-1 • <i>Accuracy and cutoff</i> replaced with <i>existence</i>. • Reference to <i>classification and understandability</i> removed. Exhibit 6.3-2 • Amended wording as follows: ○ Completeness – added in disclosures, <i>in the context of the requirements of the applicable financial reporting framework</i>. ○ Existence – Removed <i>and should be included</i> from the first sentence and added in <i>in the context of the requirements of the applicable financial reporting framework</i> to the second sentence. ○ Accuracy and Valuation – Replaced <i>Cutoff</i> with <i>Valuation</i> and included a new description. ○ Presentation – Replaced <i>valuation</i> and included a new description.
6.4 Using Assertions in Auditing	• Table updated to reflect Revised ISAs. • Under considering types of potential misstatements: ○ Reference to <i>accuracy</i> included referring to whether the inventory balance has been adjusted for slow-moving and obsolete items. ○ Last bullet point that previously referred to <i>accuracy</i> replaced with considerations relating to <i>presentation</i>.

Chapter 7– Materiality and Audit Risk

Section	Summary of change
Chapter content	• Table updated to reflect Revised ISAs.
7.1 Overview	• Added in the following paragraph: <i>Materiality applies not only to amounts in the financial statements, but also to disclosures that are non-quantitative. For example, a description of the events or circumstances that have led to the recognition of an impairment loss could be material to the users of the financial statements.</i>

7.3 Nature of Misstatements	Exhibit 7.3-2 • Wording of last bullet point amended to include reference to <i>unclear</i> descriptions in the <i>financial statements</i>. • In the paragraph under the table, reference to <i>grey</i> removed. • Moved the following sentence to the section on qualitative factors: <i>In some situations, a matter well below the quantitative materiality level may be determined as material based on the nature of the item or the circumstances related to the misstatement.</i> • Added in section relating to qualitative factors, including Exhibit 7.3-3
7.5 Determining Materiality Levels	• Added in <i>Determining</i> to the heading. • Amended exhibit 7.5.1 Exhibit 7.5-2 • Amendments made to the description relating to specific performance materiality. Exhibit 7.5-3 • Deleted • Wording relating to performance materiality amended. • Added in the following paragraph: <i>In the same way that performance materiality is set at a lower threshold amount than overall materiality, an amount for specific performance materiality would be set by the auditor at a lower threshold than that of the specific materiality.</i>
7.7 Revising Materiality	• Added this section in.

Chapter 8 – Risk Assessment Procedures

Section	Summary of change
Chapter contents	• Table updated to reflect Revised ISAs.
8.4 Inquires of Management and Others (Including inquires relating to fraud)	Exhibit 8.4-1 • In the interview relating to management and those responsible for financial reporting, added in that the auditor should inquire about whether the entity is in compliance with relevant laws and regulations. • Added internal auditors to the list of interviewees.
8.9 Specific Risk Assessment Procedures	• Added this section in.

Chapter 9 – Responding to Assessed Risks

Section	Summary of change
9.2 Overall Responses to Risks at the Financial Statement Level	Exhibit 9.2-1 • In relation to engagement management, added in the last bullet point relating to the internal audit function. <u>Exhibit 9.2-2</u> Exhibit 9.3-2 • In relation to the consideration point on sources of information, added to the question that the non-financial information could be obtained from within or outside of the general and subsidiary ledger.

Chapter 10 – Further Audit Procedures

Section	Summary of change
10.2 Substantive Procedures	- In the table, amended the wording of ISA 330.20 to align with the standard. Exhibit 10.2-2 - In relation to the required audit procedures, amended the wording of the last bullet point to make reference to agreeing or reconciling information in disclosures with the information obtained from within or outside the general and subsidiary ledgers. - Added in point relating to key audit matters. - Added in section relating to internal audit.
10.5 Tests of Controls	Exhibit 10.5-1 - Amended. - In the commentary included under exhibit 10.5-1, wording amended as follows: <i>Specific controls</i> replaced with <i>assertion level controls</i>. <i>Pervasive controls</i> included in brackets and replaced with controls at the <i>financial statement level</i>. - In the second paragraph, reference to controls at the financial statement level serving to address <i>specific</i> risks of material misstatement has been amended to serving to address <i>assertion level</i> risks of material misstatement. Consider Point - The second sentence of this paragraph has been amended. In the commentary under the Consider Point, <i>Pervasive controls</i> included in brackets and replaced with controls at the <i>financial statement level</i>. <i>Specific controls</i> replaced with <i>assertion level (transactional) controls</i>. Exhibit 10.5-2 - Heading amended. Exhibit 10.5-3 - In the description relating to reliability of the controls, reference to <i>entity level controls</i> replaced with <i>pervasive controls</i>.

Chapter 11 – Accounting Estimates

Section	Summary of change
11.2 Risk Assessment	Exhibit 11.2-1 Added in point relating to Communicating Estimates with High Estimation Uncertainty.
11.3 Responses to Assessed Risks	Exhibit 11.3-1 In relation to the point on whether estimates have been prepared appropriately, added in the word <i>sufficient</i> in describing <i>obtaining an understanding of management's assumptions or methods</i>.

Chapter 12 – Related Parties	
Section	Summary of change
No changes made	n/a

Chapter 13 – Subsequent Events	
Section	Summary of change
Chapter Content	In the table, amended the wording of ISA 560.4 to align with the standard.
13.1 Overview	- Note included after Exhibit 13.1-1 - Table updated to reflect Revised ISAs. Exhibit 13.1-3 - In the description relating to identifying subsequent events, wording of the bullet point on <i>events that have occurred or are occurring that will bring into question the appropriateness of using the going concern basis of accounting</i> amended.

Chapter 14 – Going Concern	
Section	Summary of change
Chapter Content	- In the table: - Amended the wording relating to the chapter content. - Amended the wording of ISA 570 (Revised).9 to align with the standard.
14.1 Overview	- Added in the third paragraph relating to key audit matters. - In the table, amended the wording of ISA 570 (Revised).2 to align with the standard.
14.2 Risk Assessment Procedures	- In the table: - Amended the wording of ISA 570 (Revised).10 to align with the standard. - Update of references to ISAs in table. - Exhibit 14.2-2 - In the introductory sentence, reference to <i>going concern assumption</i> replaced with <i>going concern basis of accounting</i>.
14.3 Evaluating Management's Assessment	Update of references to ISAs in table included.
14.4 Risk Response – When Events are Identified	Update of references to ISAs in table included.
14.5 Reporting	- In the table: - Added in reference to ISA 570 (Revised).17, 20 – 23. - Update of references to ISAs in table. - Amended Exhibit 14-5.1

Chapter 15 – Summary of Other ISA Requirements	
Section	Summary of change
Chapter content and Overview	Update of references to the ISAs including in Exhibit 15.1-1
15.2 ISA 250 (Revised) – Consideration of Laws and Regulations in an Audit of Financial Statements	- In the tables: - Update of references to ISAs (both tables). - Added in reference to ISA 250 (Revised).12 (first table)

	○ Added in reference to ISA 250 (Revised).13 (second table) ○ Added in reference to ISA 250 (Revised).15 (third table) ○ Added in reference to ISA 250 (Revised).20 (fourth table) • Added in the following sections: ○ Categories of Laws and Regulations. ○ Management Responsibility. ○ Auditor Responsibility. • Update of information under the heading <i>Risk Assessment</i>: ○ Update of information referenced to 250.13 to align with the standard. ○ Removed reference to 250.14 Exhibit 15.2-2 • Included the word <i>relevant</i> in the Inspecting Relevant Correspondence. • Update of the information under the heading <i>Risk response</i>: ○ Update of references to paragraphs in line with the changes in the standard. ○ Inserted reference to 250.15
--	--

Chapter 15 – Summary of Other ISA Requirements

15.2 ISA 250 (Revised) – Consideration of Laws and Regulations in an Audit of Financial Statements

Exhibit 15.2-3

- Amended the wording of the consideration relating to Identifying Instances of Non-Compliance; both the heading and the description.
- Added in consideration relating to *Inquires of Management and TCWG*.
- Added in consideration relating to *Obtaining Evidence*.
- Amended the wording of the description of the consideration relating to Obtaining Management Representations.

Exhibit 15.2-4

- Added in this exhibit.
- Update of information under the heading *Non-Compliance Identified or Suspected*:
 - *Update of references to paragraphs in line with the changes in the standard.*

Exhibit 15.2-5

- Included *or determine whether there are other reporting responsibilities* to the end of the auditor response related to step 1.
- Step 2:
 - Included *the appropriate level of* in describing management.
 - Added in *(unless prohibited to do so by law or regulation)*.
- Step 3:
 - Replaced the word *consider* with *evaluate*
 - Included reference to *identified or suspected* in describing non-compliance.
 - Included *where management or those charged with governance are involved or are aware of the matter* to the end of the auditor response.
- Wording of the auditor response of step 5 amended.
- Updated information under the heading *documentation*.
- Added in the following sections:
 - Reporting Identified or Suspected Non-Compliance.

	○ Documentation Requirements.
15.5 ISA 510 – Initial Audit Engagements – Opening Balances	Exhibit 15.5-1 • Under the consideration relating to determining the impact on the audit opinion, added in the last sentence, relating to considering the need for an “other matter” paragraph.
15.7 ISA 610 (Revised 2013) - Using the Work of Internal Auditors	• Added <i>ISA 610 (Revised 2013)</i> on the heading. • Added a Note: Because the likelihood of an SME having an internal audit function is much lower than for listed or larger entities, this Guide does not cover ISA 610 (Revised 2013) in detail. Exhibit 15.7-1 • Exhibit amended. • Added in the following sections: ○ Overview ○ Consider point • Amended the table as follows: ○ Removed reference to ISA 610.8-13 ○ Added in reference to ISA 610.15-37 • Added in the following sections: ○ Understanding Internal Audit. ○ Planning the Use of Internal Audit. ○ Consider Point. • Deleted the information that was previously included under <i>Overview</i>. • Amended the heading to Summary of <i>Factors to Consider</i> and Requirements. Exhibit 15.7-3 • Added in a task relating to <i>Obtaining an Understanding of the Nature of the Internal Audit Function’s Responsibilities</i>. • In relation to the task on whether <i>Internal Audit Work would be Appropriate for External Audit Purposes</i>: ○ In the heading, replaced the word <i>adequate</i> with <i>appropriate</i>. ○ Replaced the last bullet point with <i>Will their work be subject to a systematic and disciplined approach, including quality control?</i> • In relation to the task on <i>What the Effect Reliance on Internal Audit Work will have on the External Audit</i>, added in the second bullet point, which states the following: <i>Relevance of work to the external auditor’s overall audit strategy and audit plan.</i>
15.7 ISA 610 (Revised 2013) - Using the Work of Internal Auditors	• In relation to the task on <i>Evaluating the Adequacy of Internal Work for External Audit Reliance</i>, replaced <i>adequate</i> audit with <i>sufficient appropriate</i> in the third bullet point. • In relation to the task on <i>Document Results</i>: ○ Added in <i>nature and extent of the work used and the</i> in the second bullet point. ○ Removed <i>description of</i> from the last bullet point. • Added in section on <i>Summary of Requirements for the Direct Assistance of an Internal Auditor</i> • Added Exhibit 15.7-4 and the related information
15.9 ISA 720 (Revised) – The Auditor’s Responsibilities Relating to Other Information	• Amended the table as follows: ○ Removed reference to ISA 720.4, 6-16 ○ Added in reference to ISA 720 (Revised).11, 13-25 • Amended the wording included under the <i>Overview</i>. • Added in <i>Consider Point</i>. • Added in table relating to the definitions of the annual report and other information as contained in ISA 720 (Revised).

	- Added in the section <i>What is a misstatement in other information?</i> - Added in the section <i>Auditor Responsibilities</i>. - Added in the section <i>Extent of Evaluation</i>. - Added in the section <i>Documentation</i>. - Amended Exhibit 15.9-1
--	--

Chapter 16 – Audit Documentation

Section	Summary of change
16.1 Overview	Exhibit 16.1-1 - Added in <i>and information obtained from outside of the general ledger and subsidiary ledger agrees with and</i> to the last bullet point. - Added in the following sections: - Consider Point. - Documentation Related to KAM. - Documentation Related to Other Information. Exhibit 16.1-2 - Added in ISA 701, Communicating Key Audit Matters in the Independent Auditor's Report and ISA 720 (Revised), The Auditor's Responsibility Relating to Other Information.
16.4 Specific Documentation Requirements	- Update of references to ISAs in the tables included. - Amended the wording of ISA 330.30 to align with the standard (second table). Exhibit 16.4-3 - Added in the following bullets: - If applicable, determination of KAM under ISA 701. - If applicable, procedures completed and the final version of other information included in the annual report or other documents issued by management that include the financial statements.

Chapter 17 – Forming an Opinion on Financial Statements

Section	Summary of change
Chapter Content	- Amended Exhibit 17.0-1 - Updated table 2 on references to the ISAs i.e. 700.6(b) and 700.8 to align to changes in the standard.
17.1 Overview	- In the list of items that the chapter addresses: - Added in reference to section 17.3 at the end of the second and third bullet. - Added in bullets four to eight. - Added in the diagram, including the introductory paragraph to this diagram. - Amended the wording of the paragraph after the diagram, as follows: <u>Generally, for audits of financial statements of SMEs conducted in accordance with ISAs, where a KAM is not presented or other information is not attached, the wording of the unmodified auditor's report will contain a minimum number of elements. The wording will be standard. Of course, there will be exceptions (albeit a changed presentation), except where additional paragraphs are added, for example, for an emphasis of a matter or other reporting matters.</u>
17.2 Financial Reporting Frameworks	In the second paragraph included under the sub heading <i>National Standards, an Emphasis of Matter paragraph to</i>

	<i>highlight a going concern problem was replaced with a separate section in the Auditor's Report.</i>
17.3 Forming the Opinion	- In the table: - Amended the wording of ISA 700 (Revised).13 and 14 to align with the standard. - Update of references to ISAs in the tables included. Exhibit 17.3-1 - Under Materiality, added in reference to ISA 450. - Under Audit Evidence, added in reference to ISA 500. - Added in section on Accounting Policies. - Made the following amendments to the section on Financial Statement Disclosure: - Removed the bullet point that dealt with whether there is adequate disclosure to enable intended users to understand the effect of material transactions and events. - Added the following to the fourth bullet point: <i>This includes considering whether the information is appropriately classified, aggregated or disaggregated, and characterized, and that all information that should be included has been included. It also includes considering whether the overall presentation has been undermined by the inclusion of information that is not relevant or that obscures a proper understanding of the matters disclosed.</i> - Added in the note under Exhibit 17.3-1 - Added in the following sections: - Expressing an Opinion - An Unmodified Opinion - A Modified Opinion Exhibit 17.3-2 - This has been replaced with the new table. - Added in Exhibit 17.3-3; 17.3-4 and 17.3-5
17.4 Form and Wording of the Auditor's Report	- In the table: - Amended the wording of ISA 700 (Revised).23 and 24 to align with the standard. - Removed reference to ISA 700.20 - 35 - Added in reference to ISA 700 (Revised).25 - 29; 33 – 41; 47 – 52. - Update of references to ISAs in the tables included. - After the table, deleted the paragraph on what the auditor's report communicates. - In describing the form of the auditor's report, added in a list of headings that will always be included, as well as other headings for paragraphs that may be used. Exhibit 17.4-1 - Added in the component <i>Auditor's Opinion</i>. - Replaced the component <i>Introductory Paragraph</i> with <i>Basis for Opinion</i> and amended the related description. - Added in the component <i>Other</i>, dealing with Emphasis of Matter or the inclusion of Key Audit Matters. <i>Responsibilities of Management for the Financial Statements</i>

	○ Changed the wording of the title of the component from Management's (<i>Or Other Appropriate Term</i>) <i>Responsibility for the Financial Statement</i> ○ In the comments, added in the bullet points relating to management's responsibility for assessing going concern and the bullet indicating that the auditor's report also identifies those responsible for the oversight of the financial reporting process. • Added in the component <i>Auditor's Responsibilities</i>. • Deleted the component <i>Auditor's Opinion</i> • Changed the component <i>Other Reporting Responsibilities to Report on Other Legal and Regulatory Requirements</i>. • In the comments, added in the three bullet points. • Added in the component <i>Auditor's Signature</i>. • Added in the component <i>Auditor's Address</i>. • Added in the component <i>Date of Report</i>. • After Exhibit 176.4-1, added in the section on <i>Location of Information about the Auditor's Responsibilities</i>. • Under the heading <i>The Audit Report</i>: ○ Added in the reference to the Illustrative reports 1 to 4 in the bullets. ○ Added in the second explanatory paragraph. • Deleted exhibit 17.4.2. • Deleted exhibit 17.4.3.
17.5 Reporting on Key Audit Matters (KAM)	• Added this section in.
17.6 Disclosing the Name of the Engagement Partner	• Added this section in.
17.7 Additional Reporting Requirements	• Changed the heading from <i>Other Reporting Responsibilities</i>. • Added in the table with the references to ISA 700 (Revised). • Added in Exhibit 17.7-1 and related explanatory commentary. • Deleted Exhibit 17.5-1.
17.8 Supplementary Information Presented with the Financial Statements	• Replaced all information in this section.
17.9 Audits Conducted in Accordance with ISAs and National Auditing Standards	• Removed reference to Exhibit 17.4-1 in the table.
17.8 Modified Auditor Report	• Deleted this section.

SUMMARY OF CHANGES MADE TO THE IFAC
GUIDE TO USING ISAS IN THE AUDITS OF
SMALL-AND MEDIUM-SIZED ENTITIES –

PREFACE

The purpose of this summary of changes made to the *IFAC Guide to Using ISAs in the Audits of Small-and Medium-Sized Entities – Fourth Edition* (IFAC Guide) is to assist SAICA members who are auditors and assurance practitioners, and their support staff, including audit managers, supervisors, trainee accountants and engagement quality reviewers in applying the IFAC Guide to the audits of Small and Medium Practices (SMPs).

SAICA members are encouraged to visit the [IAASB's page](#) for upcoming projects and projects taking time at the time of publication of this IFAC Guide.

This summary includes extracts from *Guide to Using International Standards on Auditing in the Audits of Small-and Medium-Sized Entities, Fourth Edition* of the Small and Medium Practices (SMP) Committee, published by the International Federation of Accountants (IFAC) in July 2018. Contact permissions@ifac.org for permission to reproduce, store or transmit, or to make other similar uses of these extracts.

Although special attention was given to the correctness of the information it is possible that legislation and the content may change from time to time. The list or regulatory requirements is also not exhaustive and in no way represents all applicable reporting duties. Please also note that the above information serves as a guide only and readers are advised to consult the full text of the legislation for further information.
