

**2024 ADJUSTED ESTIMATES OF
NATIONAL EXPENDITURE (AENE)
ERRATA**

national treasury

Department:
National Treasury
REPUBLIC OF SOUTH AFRICA

Please note the errata to the printed version of the 2024 Adjusted Estimates of National Expenditure. The corrected version is available on the National Treasury website.

The virement tables have been updated to include correct superscripts to differentiate between virements approved by the National Treasury and those requiring approval through an Act of Parliament. This affects Vote 5, 24, 36, and 39. The description for some of the virements for Vote 30, 32, 36 and 37 were also corrected.

Additionally, technical adjustments were made to the formula for the item "shifts within the programme as a percentage of the programme budget," which was incorrectly displayed in the printed document for multiple votes. The correct percentages can be found in the corrected version which is available on the National Treasury website
