

## OECD BEPS PILLAR 1 BLUEPRINTS: UPDATE & INPUT REQUIRED

**WHEN:**

1 DECEMBER 2020

**TIME:**

10:00 - 11:30

In light of the OECD/Inclusive Framework releasing its Reports on the Pillar I and Pillar II Blueprints on 12 October 2020 as well as the proposed action by the UN (with the proposed Article 12B) to deal with tax on digital businesses, the SAICA Transfer Pricing (TP) Committee is working on an updated submission to the OECD focusing on Pillar I. The previous submission can be accessed [here](#).

In order to ensure that the committee provides the OECD with a balanced view on these matters, you are invited to join the SAICA TP Committee for a 90 minute webinar that may include participants from our sister/similar organisations in Uganda, Tanzania and Zambia as well as other large SA based groups to discuss the proposed changes and way forward for multinational groups operating in Africa.

Should you be interested in joining, please send an email to [sharons@saica.co.za](mailto:sharons@saica.co.za) by 27 November 2020.
