

Complimentary SARS e@syfile training

Please see below correspondence from SARS regarding complimentary e@syfile training to be held in September and October 2022.

"It's the start of the PAYE Bi Annual season shortly with the current dates displayed on the SARS website as 19 September – 31 October 2022

SARS will be doing training via Zoom after the season commences as follows:

- *Training A - Update session (1 Hour)*
- *Training B - Full session (3 hours)*

This means that there will be only 4 training sessions in September – 2 x Update sessions and 2 x Full sessions and the rest in October, as required!

NO DATES AVAILABLE - Please don't ask for a date as this will delay your booking and space is limited

Please indicate your interest in the training session by providing the following information via email to Eugene Joubert – SARS Support Consultant (email: eugenej@sarsefiling.co.za)

1. *Full names*
2. *Email address*
3. *Are you a Company representative / Tax Practitioner / Accountant or Large Business Representative / Other (Specify)?*
4. *Which training session you want to attend*
5. *Preferred month September/ October*

Booking details will be sent out with the Zoom link once a session is fully booked

Due to large numbers, SARS cannot fix a date for your training as the training will be offered on a first come first served basis. SARS will provide you with the next available date after you have indicated your interest.

The space per session is limited to 100 people only so please advise if you cannot make the training so SARS can fill the space with the waiting list."

5 September 2022
